

West Reed Avenue - Summary of Town Council Actions

Date Recommended Action

08/17/2000

[Minutes](#)

09/06/2001 **Item 9.1: West Reed Avenue Drainage and Roadway Engineering**

[Minutes](#)

RECOMMENDATION: That the Council direct staff to engage a consultant for the purposes of preparing engineering documents for the potential formation of a West Reed Avenue Assessment District, provided that the West Reed Avenue Homeowners provide a cash security for reimbursement of 100 percent of the cost of the engineering services.

09/20/2001 **Item 6.4: West Reed Avenue, Design Engineering bid award.**

[Minutes](#)

Recommended Action: Authorize funding of \$50,000 and direct staff to engage Shaw Engineering to prepare engineering documents.

10/18/2001 **Item 6.12: West Reed Avenue, Negro Canyon and Schallenberger Ridge aerial photography.**

[Minutes](#)

Recommended Action: Authorize Town Manager to enter into a Professional Services Agreement with Shaw Engineering, in an amount of \$34,225, for aerial photography.

02/20/2003 **Item 9.1: West Reed Avenue Update.**

[Minutes](#)

Recommended Action: Provide direction as desired.

03/20/2003 **Item 5.4: West Reed Avenue Update, Dan Wilkins, Town Engineer/Public Works Director.**

[Minutes](#)

Dan Wilkins, Public Works Director/Town Engineer, reported to Council that the issue of ownership of West Reed Avenue might be scheduled to come before Council at the April 17th meeting. Emilie Kashtan, informed Council that she will be out of the Country on April 17th and asked that the issue be scheduled for another date. Mayor Owens, asked staff to exercise their best efforts to accommodate Ms. Kashtan.

04/17/2003

[Minutes](#)

05/01/2003 **Item 7.1: West Reed Avenue ownership update and conclusions.**

[Minutes](#)

Recommended Action: Determine that: 1) based upon all presently available evidence, West Reed Avenue is a private road for which the Town has no responsibility, 2) continue present offer of assistance for continue the Town's commitment to Best Management Practices (BMP) installation to protect Donner Lake as part of the Donner Pass Road bike lane and drainage improvement project.
