It is the applicant's responsibility to ensure that all special districts/utility companies that may have an interest in the proposed abandoned easement provide one of the following: a signed "Vacation (Abandonment) Release of Interest" form authorizing the Town of Truckee to abandon the easement on its behalf, or a letter stating that the agency has gone through its own process to abandon its interest in the easement.

Please be advised that some special districts/utility companies may have an internal easement abandonment process that can take up to several months to complete.
